## Presentation Information

Presentation Category	Executive Leadership
Presentation Title	Leading by Example: Exemplifying the Behavior You Want to See in Others
Presentation Length	60 - 240 Minutes
Presentation Objective	To provide FBINAA members an opportunity to reflect on their leadership style and behaviors
Presentation Description	The acronym “ICRELIEF” is used as a conceptual framework to present various leadership concepts germane to a professional position within an organization. These concepts can be applied to both an individual’s personal and professional life. How an individual reacts to choices, change, commitment, creativity, control, confidence, responsibility, enthusiasm, leadership, investment, expectant attitude and humor, largely determines whether they have what it takes to “Lead by Example.”
