<b>Presentation Description</b>	<p>Executives have had many leadership courses. But few, if any of them, have been competency and research-based.</p> <p>Using the "Leadership Skills Inventory" and the book, "Every Officer Is A Leader", and the Credible Leadership Series of courses, police executives will have a way to continue their leadership development journey long after they complete the FBI NAA, and educate their entire workforce in much-needed</p>

leadership competencies and applicable field-tested theories. Certifications can follow upon completing online coursework: See Deputy Chief (Ret.) Mark Perez's video at -- <http://www.iaps.cc/icld/>

#### **Speaker Bio**

Dr. Anderson is the Chief Leadership Officer of the International Academy of Public Safety and is the Managing Principal of Anderson Corporate and Executive Coaching. He provides consulting and coaching services for business and police executives and has done so for over 30 years. He has also served as a professor of leadership, problem-solving, counseling and mentoring for 38 years. In the past year he developed the online video- and competency-based Credible Leadership Phase IV in collaboration with Deputy Chief (Ret.) Mark Perez at LAPD.

#### **Additional Comments**

I look forward to the possibility of speaking at an upcoming session. I would like to understand your needs and I could custom-design a presentation that would fit what is needed. Please talk with Jeff Green because he is very familiar with our work. Thank you.
