"We are delighted to invite you to Baltimore for the 2025 FBINAA National Annual Training Conference! The historic Inner Harbor is just one of the many highlights the Maryland/Delaware Chapter and our Alliance partners have in store this year. Don't miss this fantastic opportunity to reconnect with Session mates, receive training from the best in law enforcement leadership, and enjoy time with family and friends!"

– Jeff McCormick, Executive Director, FBINAA

"We are looking forward to hosting the 2025 FBINAA National Academy Training Conference in Baltimore! The conference has not been to Baltimore since 2002 and we plan to honor its memory by replicating several aspects of that successful event. We are excited about all the amenities that the Baltimore Inner Harbor offers to the 2,000+ attendees. We look forward to welcoming you to Baltimore for a safe and memorable conference."

– Donald Gividen, Co-Chair, 2025 Conference Committee

The National Annual Training Conference has a long history of providing delegates with a full agenda of informative education and training sessions on law enforcement in the 21st Century. The Expo allows conference delegates to browse and meet with nearly two hundred vendors and learn about new and innovative products, training, technology, and services available for their agencies, departments and organizations. Our members look forward to this energizing conference which affords them the opportunity to further their knowledge by attending the over 30+ hours of educational sessions, explore new advancements in law enforcement technologies, reconnect with colleagues and build their professional network.
